Dear Members of the Hopkinton Board of Selectmen:

We are writing this letter to formalize our intention to transfer ownership of the Library over to The Town of Hopkinton. This serves to confirm our proposal that the Library building, located at 13 Main Street, be transferred to the Town of Hopkinton.

We look forward to discussing the details of this transfer at your earliest convenience, as well as the opportunity to explore options for a new library building for the Town of Hopkinton.

Very truly yours,
